

IMPORTANT NOTICE

about your 1st University Credit Union Checking Account

Due to recent changes in legislation (Regulation E), we are required to have all members OPT-IN to receive/keep Overdraft Privilege Pay on their ATM and everyday debit card transactions. On and after August 15, 2010, we will no longer be able to cover these transactions unless you have "opted in." If you do not contact us or return the authorization form below, you will be unable to access Overdraft Privilege Pay through your debit card and ATM card. The new rule does not apply to other types of transactions; they will continue to be considered for payment.

What You Need to Know about Overdrafts and Overdraft Fees

An **overdraft** occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in different ways.

1. We offer **Overdraft Protection plans**, such as a link to your other deposit accounts. With this plan, we do authorize and pay any type of overdraft from your available balances.
2. We have **standard Overdraft Privilege Pay practices** that come with qualified accounts for paying overdraft items up to \$500.00.

■ **What are the standard Overdraft Privilege Pay practices that come with qualified accounts?**

We **do** authorize and pay overdrafts for the following types of transactions:

- Checks you write
- Automated Clearing House (ACH) transactions

We **do not** authorize and pay overdraft for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we **do not guarantee** that we will always authorize and pay any type of transaction. If we **do not** authorize and pay an overdraft, your transaction will be declined and you will be charged an NSF fee of \$30.00. Additional merchant fees may apply.

IMPORTANT: For members who have previously accepted overdraft service for ATM and everyday debit card transactions, we **will not** authorize and pay such overdrafts on or after August 15, 2010 unless you "opt-in" (see below).

■ **What fees will I be charged if 1st University Credit Union pays my overdrafts?**
